The Pathway School is a non-profit, approved private school serving children and young adults ages 10-21 with special needs. The School's mission is to build academic, social and life skills in students with special needs to promote their success and independence after Pathway. All proceeds from this event will support the 2009-2010 Annual Fund at The Pathway School. The Annual Fund helps to bridge the gap between tuition and fees and the actual cost of a student's education. Donations support students and programs such as technology, culinary arts, horticulture, and occupational therapy.
