THE PATHWAY SCHOOL

Is proud to partner with

Lintons

MANAGED SERVICES

Dear Parent/Guardian

We are pleased to announce that The Pathway School has partnered with Lintons Managed Services to provide Food Services to the students and staff at Pathway for the 2011-2012 school year.

Lintons MANAGED SERVICES has an exemplary history of service to organizations in food and food service management with long standing relationships of over 20 years. Linton's approach to serving the students and staff of The Pathway School is based on those years of experience serving various Charter and Private Schools as well as numerous head start programs, early learning centers and healthcare facilities.

Lintons MANAGED SERVICES provides meals meeting or exceeding the Recommended Daily Allowances and menus that appeal to the food preferences of all student populations and ages. Monthly menus will be developed utilizing fresh fruits and vegetables with a daily variety of menu options. Linton's serves various "Theme Meals" throughout the year to stimulate enthusiasm. These events will feature popular food and imaginative promotions.

Lintons MANAGED SERVICES has the resources available to enhance your current service with nutrition education, including the introduction of "Team Nutrition", food committee meetings, the "Special News" section of our monthly menus and various educational materials, posters and flyers.

Lintons MANAGED SERVICES understands and is committed to implement and adhere to the standards of a nutritious, fulfilling foodservice program at The Pathway School that your children will enjoy.

We are proud to be your Food Service Provider and look forward to serving you and your children.
