**Annual Media Opt-Out**

**September 2019 – August 2020**

The Pathway School uses student images for classroom website pictures/videos housed behind a password-protected portal, on campus bulletin boards and in The Pathway School yearbook printed/distributed annually.

Additionally, The Pathway School uses photos, captions video footage, audio and/or interviews for school-related stories in a variety of internal and external communication materials as part of the school's community relations efforts. To properly recognize the hard work, dedication and accomplishments of our student's, photographs, audio and/or video may appear in The Pathway School publications, website, video production, social or other media accounts relative to Pathway or in other education-related publications.

If you **do not** want photos or videotape footage of your child used in such external communications/publications, please complete this form and return it to the Admissions Department. Please be advised that signing this form prevents intentional use of your child's photo or videotape footage; however, in situations in which large groups are participating, it may not be possible to prevent photography/videography of specific students and therefore we may not be able to prevent this use of photos/video footage that unintentionally includes an easily identifiable image of your child.

**Please complete an authorization form for each child enrolled at The Pathway School.**

By completing/returning this form, I am indicating that I **do not** want photographs or videotape footage of my easily identifiable child intentionally used in The Pathway School publications/communications and/or on The Pathway School website.
